FISHING INTO THE FUTURE, THE FISHMONGERS' COMPANY & THE FUTURE TOWNS INNOVATION HUB

FISHING INDUSTRY-SCIENCE MIXER

Thursday 22nd January 6pm
Dalmahoy Hotel, Edinburgh, EH27 8EB

Join **Fishing into the Future** at the Dalmahoy Hotel and Country Club, for an Industry-Science mixer. This is an opportunity for people working in and fishing industry, marine science and technology sectors to connect and exchange ideas.

Use this event to share your work, pitch collaborative research ideas, hear insights from people working in the fishing industry and build connections to develop ideas that support the science used in UK fisheries and marine policy.

This event is part of the wider Southeast Scotland F-REP.

Limited spaces available - Apply now!
